

# Introduction to Leadership

A 2-day programme

## Who for:

Individuals recently promoted to their first leadership or management role, or more experienced leaders who lack formal training and welcome a short “refresher”.

## In this programme, you will learn and practise:

- How to apply different leadership styles and skills in different situations
- How to assess which type of leadership approach will work successfully in a variety of contexts
- How to use a coaching approach, leading and supporting others to develop their own answers and to grow their own potential
- How to delegate effectively and with confidence that the job will be done well
- How to develop and empower others to be the best they can be
